

January 27 is National Downwinders Day- A Day to recognize those impacted by living downwind from nuclear testing sites. Rocky Flats Downwinders is a 501(c)(3) Non-profit community organization advocating for those impacted by living downwind from the Rocky Flats Nuclear Weapons Plant near Arvada, Colorado.

JANUARY 27, 2018 – OPEN HOUSE

Come recognize National Downwinders Day at an Open House with Rocky Flats Downwinders. Meet members of our Board and Advisory Board, find out about our plans/goals for 2018, discover more about our nearest nuclear neighbor and give your input. Learn how you can participate Metro's health survey, talk to a CSU grad students about the health study being done at CSU and gather literature to help you educate yourself about this important topic. Please come talk with others about the Refuge and the Parkway and discover how these projects may negatively impact community health. Please join us and let us know how Rocky Flats Downwinders can better support those in our community who have been negatively impacted by living near the former nuclear weapons plant.

This community gathering will be an open house format. Please come to the meeting room at the Old Town Arvada Library anytime between 1pm-3pm on Jan. 27, 2018, National Downwinders Day. Light refreshments will be served and families are encouraged to come by!
